Did You Know?

Veterans Day is a federal holiday in the United States observed annually on November 11, for honoring military veterans of the United States Armed Forces. Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 when the Armistice with Germany went into effect. At the urging of U.S. veteran organizations, Armistice Day was renamed Veterans Day in 1954.

Please pray for all who served our country to keep us free.

"You armed me with strength for battle;
you humbled my adversaries before me."

2 Samuel 22:40
